

FORM TECH-6

CURRICULUM VITAE (CV) FOR PROPOSED PROFESSIONAL STAFF

1. Proposed Position:	Coordinator / Project Engineer		
2. Name of Firm:	PROYNCA		
3. Name of Staff:	Gilberto Aldana		
4. Date of Birth:	1949	Nationality:	Venezuelan
5. Education:	Chemical Engineer, Courses in the School of Economics		
6. Membership of Professional Associations:	Engineering College de Venezuela (CIV)		
7. Other Training:	He has received more than 3,000 man-hours of specialized training in Gas processing. Gas processing equipment operation. EOR by CO2 Injection. Analysis and Characterization of liquid and gaseous hydrocarbons. Process Simulation H2S handling in drilling operations. Project Management. Risk Analysis in reservoir evaluations.		
8. Countries of Work Experience:	Venezuela, Jamaica, Bolivia, Caribbean Region, Colombia		
9. Languages:	Spanish and English		
10. Employment Record:	<p>2003 – Present: PROYNCA Senior Process Engineer / Project Manager</p> <ul style="list-style-type: none"> Technical Coordination of the Pre-feasibility and Visualization and Conceptual Study – Gas & Oil 2000-2003: PDVSA INTEVEP: Gas Exploitation Department, E & P Project Leader: Technical Assistance for Plataforma Deltana Offshore Gas Project (Upstream and Gas Processing Options) and Project Leader: Gas Recovery Opportunities in Venezuela <p>1989-2000: PROCEGAS, C.A (Engineering Company):</p> <ul style="list-style-type: none"> Senior Process Engineer / Project Manager - Gas <p>1978-1989 PDVSA INTEVEP Petroleum Engineering Department (later Reservoir Dpt.) / Gas Technology Section Group</p> <ul style="list-style-type: none"> Several positions: research engineer, gas processing leader, project leader, gas section leader. <p>1977-1978 Ministry of Energy: Hydrocarbons Direction-Gas Department. Project Engineer Evaluation of gas utilization projects of the operating companies in the Venezuelan oil & gas industry under the policy of minimizing gas flaring.</p>		
11. Detailed Tasks Assigned:	Coordination		
12. Work Undertaken that Best Illustrates Capability to Handle the Tasks Assigned:	<p>Year: 2003- Present Location: Venezuela, Jamaica, Bolivia, Caribbean Region, Colombia</p> <p>Project</p> <ul style="list-style-type: none"> Technical Coordination of the Pre-feasibility Study on an implementation of LPG as Vehicles fuel and LNG Hub in Jamaica. Technical Coordination of the Conceptual Study on the CNG Facilities for exports Technical Coordination of the Visualization and Conceptual Engineering of the "Gran Gasoducto del Sur Project" Project Manager in the Detail Engineering of the Heavy Oil Treating Facilities Expansion Project <p>Procuring Entity: PDVSA, REPSOL Bolivia, Petroleum Corporation of Jamaica, Pacific Rubiales, Alange Energy, Halliburton-Ecopetrol, Norwest Questa Engineering, USA</p> <p>Main project features: Evaluation of gas treatment and processing technologies for onshore and offshore oil & gas surface facilities. Oil & gas surface facilities process design, front-end engineering and detail engineering.</p>		

FORM TECH-6

CURRICULUM VITAE (CV) FOR PROPOSED PROFESSIONAL STAFF

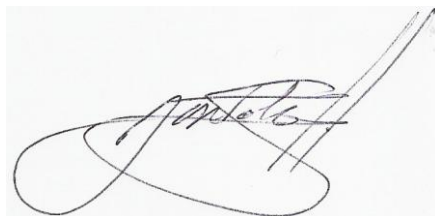

Participation in gas reservoirs and oil and gas field development projects and integrated 2-S oil & gas reservoir development studies. Troubleshooting and technical audits of gas processing and transportation systems. Performing and coordination of basic engineering design packages and technical-economic feasibility studies for oil and gas production systems. Participation in several EOR projects and studies by gas injection (CO₂, N₂, Flue Gases), including reservoir aspects, sources of CO₂ and conceptual design of facilities.

Positions Held: Senior Process Engineer / Project Manager

Activities performed: Chemical Engineer with 30+ years dedicated to technical and project management activities which include a good number of studies and engineering projects related to oil and gas production facilities, gas treatment and processing, compression, storage and transportation.

13. Certification:

I, the undersigned, certify that to the best of my knowledge and belief, this CV correctly describes myself, my qualifications, and my experience. I understand that any wilful misstatement described herein may lead to my disqualification or dismissal, if engaged.

[Signature of staff member or authorized representative of the staff]
